Eagle Recreation & Enrichment Programs

Z'Eagle Recreation & Enrichment Foundation offers enrichment classes and athletic camps for students in Pre-school through High School. Many of these classes and camps are taught by Zionsville faculty and staff. We also offer programs from outside professionals who offer unique courses for students. Most programs are conveniently located at one of the Zionsville Community School campus locations.

To register for camps/classes go to the Eagle Recreation and Enrichment tab on the ZCS website at [www.zionsvilleeaglerec.com](http://www.zionsvilleeaglerec.com) . No walk in registrations will be accepted. Students will be turned away until they are officially registered online. Cash and checks are not accepted at the camp location.

## ROBOTICS & ENGINEERING

### Indy Stem Camps Offering

**Minecraft Camp Overview:** Each of our Minecraft Camps are held for 3 hours each day over a period of 5 days for a total of 15 hours of instruction. At our camps children experience Minecraft through a customized educational version of the game played on a secure server that includes only other campers and that is continuously monitored by camp counselors. Indy Stem Camps

maintains a 8:1 camper to instructor ratio and offers parents the opportunity to opt their child out of any player vs. player game activities. Each of our camps offers a unique curriculum and theme spread across three experience levels (Beginner – Intermediate – Advanced). Additionally, a recommended grade level for each camp is presented to better help parents find the right camp for their child. At each of our camps every camper will have their own computer workstation with computers and game access provided. As such, all campers will play Minecraft on a PC or MAC which will require them to navigate and move using a mouse and keyboard. NOTE: The grade and experience levels indicated for each camp are merely recommendations. Please don't hesitate to contact us if you have question about your child's readiness for a camp. NOTE: Campers who sign-up for both the morning and afternoon Minecraft Camps offered this week are welcome to bring a sack lunch and stay through the lunch hour and eat under the supervision of our camp counselors.

# How are you feeling today?

**Check in with your co-workers, friends, family and neighbors. Ask them, “How are you feeling today?” Someone you know may be delaying important emergency care, chronic care or emotional care. Remind them to get the care they need.**

Remind them to reconnect with their doctor about ongoing care needs, and that delaying care could impact their health in a negative way. Remind them to ask about emotional health needs and health concerns that might be weighing on them.

At Ascension St. Vincent, appointments are available, with strict precautions in place for your safety in our care. Doctors are offering virtual visits. And when your friends and family need care more urgently, our emergency rooms and urgent care clinics are open and ready.

**Share this message. And find the care you need at
